- B. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Added 4/2014

Industry Certificate	CF College Courses	College Credits
NONE	NONE	0

Representatives of The College of Central Florida's Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a "B" average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 70% on the comprehensive institutional examination or obtain the industry certificates(s) as listed will have a pass entered into the College of Central Florida system and will receive college credit while in high school. A permanent college transcript will be generated. The exam results or proof of industry certification will be reported to The College of Central Florida's Career Pathways coordinator, Career and Technology Education programs representatives, and the school district Career Pathways coordinator.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.

III. Sharing of Data

Added 4/2014

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.
