2015-2016 Syllabus

Course Description

Specialized classroom and lab experiences are utilized to enable the student to become proficient in the use of a variety of beauty treatments, including the care and beautification of the hair, complexion, and hands. Instruction includes: giving shampoos, rinses, scalp treatments, hair styling, settings, cuttings, tinting, bleaching, permanent waving, facials, manicures/pedicures, and hand and arm massages. Also included in the curriculum are safety, bacteriology, hygiene, sanitation, customer relations, salon management, record keeping, Florida cosmetology law, and employability skills. Time required for completion of the preparatory program is determined by state licensing regulations. Activities of Skills USA are included as a part of the instructional program.
